Investor Club

The Elite Investor club is unique and provides another level of service. It also gives access to Quality Real Estate for the proven Investor. We manage over 500 Properties and many are unlisted opportunities that we know everything about and can be very profitable for investors that are working with us in our Investor Club. We also offer multiple discounts to the big investor. The Investor club members have access to REO/Foreclosure opportunities that haven't been on the market for very long. We offer advice to our Investor club members that comes from our broad knowledge of the greater Charlotte area. We are all about making money for our Investors and that is what has driven our business from the beginning. Investor club members have on-line interactive access to their portfolio which makes managing multiple properties very easy. We have added a monthly news letter and our monthly golden opportunities list in the Investment Real Estate market here in Charlotte, Nc. We look in depth to find the best locations based upon the trends that maneuver Real Estate into more Profitable positions. Examples would be Geo political, Social Trends, Government Investment in Infrastructure, and schools to name a few. We are small but, lean and very broad based so we can make decisive decisions for the best interest of our Investors. Elite Team Realty covers one spectrum of Real Estate to the other so our diversified business helps us guide our clients to more Profitable bottom lines.

Please feel free to call anyone on the list below. They can all make executive decisions on your behalf. We definitely appreciate your business.
